- the Company is subject to the direction and coordination of Coop Alleanza 3.0 Soc. coop;

The Chairman acknowledges that the scrutineers of Computershare SPA will use technical devices to manage the attendance sheets and vote tally.

He also notes that votes will be cast on a show of hands basis; for each vote shareholders voting against or abstaining are requested to show their hands and state their names. The Chairman also requests that those leaving the meeting report their departure to the staff members so that it may be recorded in these minutes.

The Chairman advises that the Shareholders who would like to take the floor to discuss the items on the Agenda may do so by reserving a place at the desk found in the meeting room and that all observations should be limited to no more than fifteen minutes. The Shareholders and their proxies who have already participated in the discussion may do so a second time for a period of no more than five minutes, including to make statements about how votes will be cast.

Lastly the Chairman informs that, pursuant to and in accordance with the Privacy Code, the personal data provided by the shareholders will be processed and treated by the Company solely for the purposes of the shareholders' meeting and any related formalities.

At thirty two minutes past eleven, after the end of the ordinary session, the Chairman acknowledges the presence of the director Elisabetta Gualandri and opens the discussion of the sole item on the Agenda for the extraordinary session:

<u>1.Proposals to amend articles 4 and 6 of the Corporate By-laws; related and consequent resolutions</u>

First of all the Chairman acknowledges that are now present in the meeting hall 222 (two hundred twenty two) shareholders or those holding voting rights for shareholders, representing, directly or via regularly recorded proxies, no. 518,097,383 (five hundred eighteen ninety seven thousand three hundred eighty three) ordinary shares or 63.723039% of the 813,045,631 (eight hundred thirteen million forty five thousand six hundred thirty one) ordinary shares comprising share capital, as per annex A) attached to these minutes.

With regard to the item on the Agenda for the extraordinary session, the Chairman reminds the participants that all the legal and regulatory formalities have been complied with. More in detail:

- the Directors' report relative to the sole item on the Agenda for the extraordinary session, prepared in accordance with Art. 125-*ter* of Legislative Decree 58/98 and Art. 72 of the Regulations for Issuers, was made available to the public on 10 March 2017 at the Company's registered office, on the Company's website and on the authorized storage platform <u>www.emarketstorage.com</u>;

- all the documentation listed above was sent to the shareholders upon request and was given to all shareholders and/or their proxies upon entering today's meeting;

- with regard to the above documentation, all the CONSOB filings required by law were also made;

- no requests relative to the Agenda of extraordinary session pursuant to 127-*ter* Legislative Decree 58/1998 were received before the shareholders' meeting.

Referring to the Directors' report, the Chairman notes that the purpose of the proposal to amend Articles 4 and 6 of the corporate bylaws is to: (i) clarify the corporate purpose defined in Article 4 by including express reference to "retail activities"; and (ii) renew, after revoking the prior authorization granted during the extraordinary Annual General Meeting held on 19 April 2012, the power granted to the Board of Directors, pursuant to art. 2443 of the Italian Civil Code, to increase share capital, on one or more occasions, against payment and in divisible form, by up to a maximum of 10% of the company's pre-existing share capital, excluding pre-emption rights pursuant to art. 2441, paragraph 4.2 of the Italian Civil Code, and, subsequently, amend Art. 6 of the corporate bylaws.

The Chairman proposes to dispense with the reading of the entire directors' report relating to the item on the Agenda, and limits himself to reading solely the proposed resolution – which I do on his behalf - in order to give more room to any discussions and in light of the fact that the documents have already been made available to the shareholders.

The proposed resolution is reported in its entirety below.

"The extraordinary Annual General Meeting of IGD SIIQ S.p.A., having examined the Board of Directors' report on the proposed amendments of articles 4 and 6 of the corporate by-laws

resolve

1. to amend article 4 of the corporate by-laws as follows: "4.1 The Company's sole purpose is any activity or operation in the real estate sector, on its own or third parties' behalf, including but not limited to the purchase, sale, swap, construction, renovation and restoration, management and administration of properties for any use or purpose including through the assumption and/or assignment of contracts or concessions; the development of initiatives in the real estate sector; the submission of bids in national or international calls for tenders; and the establishment, purchase, sale, swap, and cancellation of real estate rights; this excludes real estate agency and brokerage activities and the trading or operation of businesses or commercial, including retail activities".

2. to revoke the authorization to increase share capital pursuant to Art. 2443 of the Italian Civil Code granted on 19 April 2012;

3. to grant the Board of Directors, in accordance with Art. 2443 of the Italian Civil Code, the power to increase share capital, on one or more occasions, against payment and in divisible form, by up to a maximum of 10% of the company's pre-existing share capital, by 12 April 2022, reserved for parties to be identified by the Board of Directors (including Italian or foreign qualified and/or industrial and/or financial investors or shareholders of the Company), excluding pre-emption rights pursuant to Art. 2441, fourth paragraph, second sentence, of the Italian Civil Code, provided that the issue price corresponds to the shares' market value and this is confirmed in a report prepared specifically by the external auditors;

4. to amend article 6 of the corporate by-laws as follows: "6.4 Pursuant to Article 2443 of the Italian Civil Code, by April 12, 2022 the Board of Directors may increase the share capital, for cash, in a divisible manner, on one or more occasions, by up to 10% of the pre-existing share capital, reserved for parties to be identified by the Board of Directors – including Italian or foreign qualified and/or industrial and/or financial investors or shareholders of the Company - excluding pre-emption rights pursuant to Art. 2441, fourth paragraph, second sentence, of the Italian Civil Code, provided that the issue price corresponds to the shares' market value and this is confirmed in a report prepared specifically by the external auditors."

5. To grant the Board of Directors – and, on its behalf the Chairman and the Chief Executive Officer, including separately amongst themselves – the amplest of powers needed to execute, including through delegates, any and all other acts necessary to or useful in the implementation of the above resolutions, including in order to comply with requests received from the authorities, as well as complete the formalities needed to register the resolutions in the Corporate Registry".

Having completed the reading of the proposed resolution, the Chairman opens the discussion.

As no one requests to take the floor pursuant to Art. 10 of the Regulations for Shareholder Meetings, the Chairman declares the discussion closed and asks those shareholders who may not be eligible to vote, pursuant to the law and the bylaws, to make themselves known.

Before proceeding with the vote on the proposed amendments, the Chairman notes that are present in the meeting hall 222 (two hundred twenty two) shareholders or those holding voting rights for shareholders, representing, directly or via regularly recorded proxies, no. 518,097,383 (five hundred eighteen ninety seven thousand three hundred eighty three) ordinary shares, for which notice was received in accordance with art. 83-*sexies* of Legislative Decree 58/1998, or 63.723039% of the 813,045,631 (eight hundred thirteen million forty five thousand six hundred thirty one) ordinary shares comprising share capital.

The Chairman then puts the proposed resolution read up for a show of hands vote. After the votes are cast, the Chairman declares that:

- the shareholders meeting in extraordinary session approved the proposal by a large majority with n. 516,810,143 (five hundred sixteen million eight hundred ten thousand one hundred forty three) votes in favor equal to 99.751545% of the share capital represented,

- 1,287,240 (one million two eighty seven thousand two hundred forty) votes were cast against the resolution. Guberti Simone voted against the proposal on behalf of the shareholders listed in the summary of the adopted resolutions attached to these minutes as annex D).

Nobody abstained from voting.

The Chairman then gives me the text of the bylaws with the approved amendments, which I, the Notary, attach to these minutes as annex B); the Chairman also gives me the Board of Directors' report which I, the Notary, attach to these minutes as annex C). Lastly, he gives me the summary of the adopted resolutions which I attach as

annex D).

As there is nothing left to discuss on the agenda, the Chairman declares the extraordinary session adjourned at forty three minutes past eleven.

All expenses associated with these minutes are the responsibility of the company.

I, the Notary, dispensed with the reading of the attachments as expressly allowed by my client.

My client declares to be aware of and have received a copy of the information provided pursuant to Art. 13 of Legislative Decree n. 196 of 30 June and to consent to the treatment of his personal data pursuant to and in accordance with Legislative Decree 196/2003; these data, which will be included in a data bank and electronic filing systems will be used solely for the purposes of these minutes and related formalities.

I, the Notary, have received this document typewritten, by a person in my confidence and completed by my hand and the person in my confidence, on four standard pages, thirteen front sides and part of the fourteenth page and read by me to my client who approves them.

Signed at forty four minutes past eleven. Signed Gilberto Coffari - DANIELA CENNI

Article 4

4.1 The Company's sole purpose is any activity or operation in the real estate sector, on its own or third parties' behalf, including but not limited to the purchase, sale, swap, construction, renovation and restoration, management and administration of properties for any use or purpose including through the assumption and/or assignment of contracts or concessions; the development of initiatives in the real estate sector; the submission of bids in national or international calls for tenders; and the establishment, purchase, sale, swap, and cancellation of real estate rights; this excludes real estate agency and brokerage activities and the trading or operation of businesses or commercial concerns, including retail activities.

4.2 Within the scope of its business purpose, the Company may conduct surveys and research as well as commercial, industrial, financial, movable property, and real estate transactions; it may assume equity investments and interests in other companies and businesses with activities similar or related to its own, excluding transactions with the public; it may enter into mortgage agreements and engage in borrowing of any form or duration, issue collateral or personal guarantees, backed by movable and real property, including sureties, pledges and mortgages securing its own obligations or those of companies and enterprises in which it has interests or equity investments; and it may engage in all other activities or transactions that are related to, associated with, or useful for the fulfillment of its business purpose. 4.3 The above activities will be governed by the following rules relating to investments and to limits on risk concentration and financial leverage:

(ii) income from a single tenant or from tenants belonging to a single group may not exceed 60 percent of total rental income;

(iii) the maximum permitted financial leverage, at company or group level, is 85 percent of equity. The above limits may be exceeded in exceptional circumstances or in circumstances beyond the Company's control.

Unless otherwise in the interests of the shareholders and/or the Company, the limits in paragraphs (i) and (ii) may not be exceeded for more than 24 months, or the limit in paragraph (iii) for more than 18 months.

Article 5

For all matters concerning their relations with the Company, shareholders are domiciled for all legal purposes at the address reported in the shareholders' ledger. Changes will be effective vis-à-vis the Company only if notified in writing by the shareholders, with proof of the Company's receipt

SECTION III - SHARE CAPITAL, SHARES, BONDS Article 6

6.1 The share capital is EUR 599,760,278.16 (five hundred ninety-nine million, seven hundred sixty thousand, two hundred seventy-eight and sixteen hundredths), represented by 813,045,631 (eight hundred thirteen million, forty -five thousand, six hundred thirty-one) ordinary shares without a

stated par value.

6.2 The share capital may be increased, including through the assignment of receivables and goods in kind. Shares may be issued that have rights other than those of the pre-existing shares, within the confines of applicable law.

6.3 Pursuant to Article 2441, paragraph 4 of the Italian Civil Code, when a capital increase is carried out it is possible to exclude shareholders' pre-emption rights for up to 10 percent of the pre-existing share capital, provided that the issue price corresponds to the market value of the shares and this is confirmed in a report prepared specifically by the external auditors.

6.4 Pursuant to Article 2443 of the Italian Civil Code, by April <u>1922</u>, <u>20172020</u> the Board of Directors may increase the share capital, for cash, in a divisible manner, on one or more occasions, by up to 10% of the pre-existing share capital, reserved for parties to be identified by the Board of Directors - including Italian or foreign qualified and/or industrial and/or financial investors or shareholders of the Company - excluding pre-emption rights pursuant to Art. 2441, fourth paragraph, second sentence, of the Italian Civil Code, provided that the issue price corresponds to the shares' market value and this is confirmed in a report prepared specifically by the external auditors.

Article 7

7.1 The shares are indivisible and each share carries the right to one vote.

Article 8

8.1 The shares may be transferred or subject to encumbrance as provided for by law.

Article 9

9.1 The Company may issue bonds, including bonds convertible into its own shares or shares of its subsidiaries or associates and bonds with warrants, as well as other securities, as provided for by law. The company may purchase its own shares.

SECTION IV - SHAREHOLDERS' MEETINGS

Article 10

10.1 The validly convened shareholders' meeting represents all shareholders, and the resolutions taken at the meeting, in accordance with the law and these bylaws, are binding for all shareholders even if absent or dissenting from the vote. 10.2 Shareholders' meetings are ordinary or extraordinary as provided for by law and are held at the registered office, or at another location in Italy if so decided by the Board of Directors.

10.3 protocol for shareholders' meetings is formalized in a set of Regulations. The Regulations and any changes thereto are approved by the ordinary shareholders' meeting.

Article 11

11.1 The ordinary shareholders' meeting is called at least once a year, to approve the financial statements, within 120 days of the close of the business year or within 180 days if the conditions set by Article 2364 of the Italian Civil Code are met.

11.2 Shareholders' meetings are called by publishing a notice on the company's website in accordance with the law. The same notice may set another date for a possible second calling of the meeting, as well as other sessions, should a quorum not be reached at the previous meetings.

11.3 The directors will call a Shareholders' meeting in the event shareholders representing at least one twentieth of the share capital should make such a request and if the items to be discussed are listed in the request.

11.4 Even if not called as specified above, shareholders' meetings are valid provided that the entire share capital is represented and the meeting is attended by a majority of directors and statutory auditors. In this case, the directors and statutory auditors who are absent must be informed promptly of the resolutions taken.

Article 12

12. Meetings may be attended by all shareholders with voting rights.

12.2 In order to attend and vote at the shareholders' meetings, shareholders must provide the Company with the certification issued by a licensed intermediary indicating the shareholdings recorded as of the seventh trading day prior to the date set for the Shareholders' Meeting in first call.

Article 13

13.1 All those shareholders holding voting rights may be represented via written proxy submitted including via e-mail in accordance with the law.

13.2 The proxy may also be submitted via the specific form and section found on the Company's website or, alternatively, via certified e-mail to the e-mail address specified in the notice of call for each meeting.

13.3 The Company may designate, for each Shareholders' Meeting and as per the notice of call, a party to whom all the shareholders with voting rights may grant a proxy with

voting instructions for all or part of the items included on the agenda in accordance with the law.

Article 14

14.1 Shareholders' meetings are chaired by the chairman of the Board of Directors or, if that person is absent or unavailable, by the vice chairman (if appointed) or, if the latter is absent or unavailable, by the most senior director in terms of age. In default of the above, the shareholders' meeting elects its own chairman by majority vote.

14.2 The chairman of the meeting is assisted by a secretary, who need not be a shareholder and who is elected by majority vote of those attending.

Article 15

15.1 The validity of shareholders' meetings and their resolutions is determined as provided for by law.

SECTION V - BOARD OF DIRECTORS

Article 16

16.1 The Company is administered by a Board of Directors composed of seven to nineteen members. They are elected by the shareholders' meeting, which first determines their number, for up to three financial years and their term expires on the date of the shareholders' meeting called to approve the financial statements for their final year in office. They are eligible for re-election pursuant to Article 2383 of the Italian Civil Code. To take office as a director, a candidate must possess the qualifications required by laws and regulations.

16.2 Directors are elected on the basis of preference lists, in such a way as to ensure that the composition of the Board of Directors complies with the law regarding gender equality. 16.3 The lists may be presented by individual shareholders or groups of shareholders who together hold voting shares representing the requisite amount of share capital under the Consob regulations and must be submitted to the company's registered office at least 25 days before the day in which the meeting is to be held in first call. The certification as to the ownership of the requisite number of shares must be submitted to the Company's registered office by the deadline for the publication of the list.

Each list must include at least two clearly indicated candidates who qualify as independent. The lists which include a number equal to or greater than three candidates must also include candidates of different genders, as indicated in the notice of call for the Shareholders' Meeting, in order to guarantee that the composition of the Board of Directors complies with the laws governing gender equality.

Any lists which fail to observe the above conditions will be null and void.

16.4 No shareholder, parent company, subsidiary, or sister company as defined by Article 93 of Legislative Decree 58/1998, including members of a shareholders' agreement belonging to a voting trust relevant under the terms of Article 122 of Legislative Decree 58/1998, may submit or participate in the submission of more than one list or vote for a list other than the one they submitted or participated in submitting, including by proxy or through a trust. Participation and votes expressed in violation of the above will not be attributed to any list. When the shareholders submit their lists, they must also file the candidates' irrevocable acceptance of office (should they be elected); the curriculum vitae of each candidate; and statements confirming that there are no reasons for ineligibility and/or disqualification and that each candidate meets the requirements for the specific office set by law and these bylaws.

16.5 No one can be a candidate on more than one list. Acceptance of candidacy on more than one list is grounds for disqualification.

16.6 Each shareholder may vote for one list only. The votes obtained by each list are divided by one, two, three, four, five-and so forth-according to the number of directors to be elected. These quotients are assigned to the candidates on the list, in the order in which they appear, and are then sorted into a single decreasing ranking.

16.7 The candidates obtaining the highest quotients are those elected. In case of a tie for the last directorship to be filled, the winning candidate is the one from the list with the highest number of votes; if the number of votes is equal, the eldest candidate shall prevail. If just one list is submitted or if no list is submitted, the shareholders will disregard the above procedure and vote according to the majorities established by law. If more than one list is submitted, at least one director must be drawn from a minority list; therefore, if in accordance with the above criteria all of the winning candidates come from a single list, the last candidate in the ranking will be replaced by the candidate from the minority lists who has obtained the highest quotient.

Art. 16.7-bis In the event, after voting and application of

the mechanisms above, the laws governing gender equality fail to be complied with, the candidates belonging to the more represented gender which - based on the order of the lists - have received the least number of votes on the list which received the most votes overall, will be substituted by the first candidates who were not elected from the same list of the least represented gender, without prejudice to the mandatory number of independent directors required at law. If there are not enough candidates of the least represented gender on the list that received the greatest number of votes, the shareholders will vote according to the majorities established at law in order to ensure that the requirement is met.

16.8 If one third of its members leave office, excluding from this count any co-opted directors not yet confirmed by the shareholders, the entire Board of Directors shall step down and the chairman shall call a shareholders' meeting to elect a new Board of Directors. Without prejudice to the above, if one or more directors leaves office during the course of a financial year, the procedure indicated below shall be followed pursuant to Article 2386 of the Italian Civil Code: i) the Board of Directors appoints cooptees from the same list as the Directors who have ceased to hold office, starting with the first unsuccessful candidate, taking care to ensure that the Board of Directors includes the minimum number of independent members as required by laws and regulations, and also complies with the laws governing gender equality; ii) if there are no candidates left on this list who have not already been elected, the Board of Directors replaces the directors who have ceased to hold office without observing the procedure specified in point (i), taking care to ensure that the Board of Directors includes the minimum number of independent members as required by laws and regulations, and also complies with the laws governing gender equality.

Article 17

17.1 The Board of Directors elects a chairman from among its members, unless the shareholders have appointed one. The Board of Directors may also elect a vice chairman.

17.2 In the event of the chairman's absence or unavailability, he is replaced in all of his powers by the vice chairman, or in the absence or unavailability of the latter, by the Chief Executive Officer.

17.3 The chairman calls and presides over meetings of the Board of Directors and the Executive Committee (where appointed), guiding, coordinating and moderating the discussion and course of action and announcing the outcome of resolutions.

Article 18

18.1 Without prejudice to the call prerogatives granted by law to the Board of Statutory Auditors or to one or more of its members, meetings of the Board of Directors are called by the chairman, or the person acting on the chairman's behalf, whenever this person sees fit or at the request of a majority of the directors or at the request of the Executive Committee (where appointed). The Board of Directors meets at the place specified in the notice of meeting, which may be the registered office or anywhere else in Italy.

18.2 As a rule, meetings are called by telegram, fax, or other means as long as this ensures proof of receipt at the domicile of each member of the Board at least five days in advance of the meeting. In urgent cases, meetings may be called two days in advance.

The statutory auditors are informed of the meeting according to the same terms described above.

Article 19

19.1 Board meetings are presided over by the chairman or, if the chairman is unavailable, by the vice chairman (if appointed) or, if the vice chairman is unavailable, by the most senior director in terms of age.

19.2 For each meeting the Board of Directors, at the chairman's proposal, elects a secretary who may or may not be a member and who will sign the minutes of the meeting. Article 20

20.1 For Board meetings to be valid, they must be attended by the majority of directors in office. Board members may also participate by teleconference, as long as all participants can be identified and their identification is noted in the minutes. In this case, each participant must have the opportunity to contribute to the discussion, express opinions, and vote on resolutions in real time. Under these circumstances the meeting is considered to be held at the place from which the chairman and the secretary attend.

20.2 Resolutions are passed by a majority of those attending; the vote of the person chairing the meeting prevails in the event of a tie. Resolutions concerning the sale of properties or portions of buildings used for the retail sale of food and other products (hypermarkets or supermarkets) must be passed by at least two thirds of the members of the Board of Directors.

20.3 The Board of Directors may take valid resolutions even if a meeting is not formally called, provided that all of its members and all standing auditors are present.

Article 21

21.1 The resolutions taken by the Board of Directors are noted in the minutes which are transcribed in the minutes book, kept as provided for by law, and signed by the chairman and the secretary of the meeting.

Article 22

22.1 The Company's management is the exclusive province of the Board of Directors, which is invested with the broadest powers of ordinary and extraordinary administration and may take all actions it deems necessary for implementing and achieving the corporate purpose, excluding only those that are reserved to the shareholders' meeting by law or these bylaws. The Board of Directors may resolve with respect to (i) the merger or demerger of subsidiaries when this is allowed by law; (ii) the amendments to the corporate bylaws made in order to comply with the law. The Board of Directors may submit resolutions in this regard to the Shareholders' Meeting for approval. In accordance with the Procedure for Related Party Transactions adopted by the Company:

(a) shareholders, in accordance with Art. 2364, para. 1, n. 5, of the Italian Civil Code may authorize the Board of Directors to undertake material transactions with related parties, which are not reserved for the Shareholders' Meeting, despite the negative opinion of the Committee for Related Party Transactions as long as, without prejudice to the majorities established at law, the majority of the non-related shareholders with voting rights do not vote against the transaction and as long as said non-related shareholders represent at least 10% of the share capital with voting rights;

(b) in the event the Board of Directors intends to submit a material related party transaction which is reserved for the shareholders to the Shareholders' Meeting for approval despite of or without taking account of observations made by the Committee for Related Party Transactions, the transaction may be entered into only in the event the resolution is approved by a majority and in accordance with the conditions referred to in letter a) above;

(c) the Board of Directors or delegated bodies may, in accordance with the exemptions listed in the Procedure, authorize the Company, directly or through its subsidiaries, to enter into urgent related party transactions which are not reserved for the Shareholders' Meetings and which do not need to be approved by the latter.

22.2 The members of the Board of Statutory Auditors attend the shareholders' meetings and the meetings of the Board of Directors. The presence of at least one member of the Board of Statutory Auditors at all sessions of the Board of Directors ensures that the statutory auditors are informed of the Company's activities and of the transactions having a significant impact on profitability, assets, liabilities, and financial position carried out by the Company or its subsidiaries, in particular those transactions in which they have an interest on their own or third parties' account, that are influenced by the party in charge of management and coordination, or that have been the subject of resolutions, debate or announcement during the course of the session.

If no statutory auditor is present at a meeting of the Board of Directors, or if the procedures adopted pursuant to the above paragraph do not guarantee that the auditors are informed on at least a quarterly basis, then the Chairman and/or the Chief Executive Officer shall report in writing on his or her activities to the Chairman of the Board of Statutory Auditors within three months. This report must be mentioned in the minutes of the first subsequent meeting of the Board of Statutory Auditors.

Article 23

23.1 The Board of Directors may delegate its powers, within the confines of Article 2381 of the Italian Civil Code and determining the limits of such authority, to an Executive Committee comprised of some of its members and/or to one or more members given the title of managing director(s).

23.2 The parties deputized by the Board of Directors in accordance with Article 23.1 shall report at least once per quarter to the Board of Directors and the Board of Statutory Auditors on general performance, the business outlook, and the transactions most relevant in terms of size or characteristics carried out by the Company or its subsidiaries.

23.3 Each director may ask the deputized parties to provide the Board with information on the Company's management.

23.4 If there is no deputized party, the Board of Directors retains all of the powers and duties attributed to the managing body by law and these bylaws.

23.5 The Board of Directors shall appoint a financial reporting officer, based on the recommendations of the Board of Statutory Auditors, with at least five years' experience

in: a) administration or control activities or managerial tasks at entities with equity of not less than EUR ten million, or b) professional activities, including auditing, that are closely related to the company's operations and to the usual responsibilities of a financial reporting officer. Article 24

24.1 The chairman of the Board of Directors has signing authority for the Company and shall represent it before any legal or administrative authority and vis-à-vis third parties; if the chairman is absent or unavailable, this authority is held by the vice chairman (if appointed), or by the most senior director in terms of age if the vice chairman is also absent or unavailable. Unless otherwise resolved, legal representation is also held by each managing director appointed in accordance with Article 23.

24.2 The signature of the vice chairman, where appointed, serves as proof to third parties of the chairman's absence or unavailability. The senior director's signature serves as proof to third parties of the absence or unavailability of the chairman and the vice chairman (where appointed).

24.3 Company representation for individual deeds or categories of deed may be granted to Company employees or third parties by the legitimate legal representatives pursuant to Article 24.1.

Article 25

25.1 The members of the Board of Directors and of the Executive Committee receive fees as determined by the ordinary shareholders' meeting. The resolution, once taken, is also valid for subsequent years until the shareholders' meeting determines otherwise. In addition, the directors and Executive Committee members are entitled to be reimbursed for any expenses incurred in office and to receive per diem payments in the amount decided by the shareholders' meeting. The Board of Directors, after consulting the statutory auditors, establishes the compensation for directors with particular responsibilities, including the chairman.

SECTION VI - BOARD OF STATUTORY AUDITORS

Article 26

26.1 The Board of Statutory Auditors is comprised of three standing auditors and three alternates, who are elected by the shareholders' meeting as provided for by law. The statutory auditors must hold the qualifications required by law, the bylaws, and all other applicable regulations. 26.2 The standing auditors and alternates are elected on the

basis of preference lists, which are submitted as laid down

in Articles 16.2 et seq. of the bylaws. The lists which include a number equal to or greater than three candidates must also include candidates of different genders, as indicated in the notice of call for the Shareholders' Meeting, in order to guarantee that the composition of the Board of Statutory Auditors complies with the laws governing gender equality.

For each list, by the respective deadlines mentioned above, a statement must be filed in which the individual candidates declare, under their own responsibility, that they would not hold more than the maximum number of positions allowed by law, along with thorough documentation on each candidate's personal and professional background.

26.3 From the list obtaining the highest number of votes, two standing auditors and two alternate auditors will be taken in the order in which they appear on the list. The third standing auditor and the third alternate auditor will be drawn from the list with the second highest number of votes, in the order in which they appear.

In the event the composition of the Board of Statutory Auditors, after voting, fails to comply with the laws governing gender equality, the candidates belonging to the more represented gender which - based on the order with which they appear on the list for their respective sections receive the least number of votes on the list which received the most votes overall will be substituted by the first candidates who were not elected from the same list of the least represented gender in the number needed to fulfill the legal requirement. If there are not enough candidates of the highest number of votes for each section, the Shareholders will appoint the missing standing and alternate auditors according to the majorities established at law in order to ensure that the requirement is met.

In the event of a tie between lists, a new ballot is held between these lists on which all shareholders present in general meeting shall vote. The candidates on the list winning a simple majority of votes shall be elected in such a way as to ensure that the composition of the Board of Statutory Auditors complies with the current law governing gender equality.

26.4 The chairman of the Board of Statutory Auditors is the first candidate on the list receiving the second highest number of votes.

26.5 If just one list has been submitted, the shareholders'

meeting casts its vote on that list. If the list obtains the relative majority, the first three candidates appearing on it are elected as standing auditors, while the fourth, fifth and sixth names are appointed as alternates, in such a way as to ensure that the composition of the Board of Statutory Auditors complies with the current law governing gender equality; the candidate at the top of the list becomes the chairman of the Board of Statutory Auditors.

26.6 If no lists are submitted, the Board of Statutory Auditors and its chairman are elected by the shareholders' meeting according to the majorities established by law, in such a way as to ensure that the composition of the Board of Statutory Auditors complies with the current law governing gender equality.

26.7 If the Board of Statutory Auditors has been elected via the preference list system, any outgoing auditor is replaced by the alternate drawn from the same list. In the event the Board of Statutory Auditors formed as a result of the replacement done in accordance with the above fails to comply with the law governing gender equality, the second alternate auditor on the same list will be appointed. In the event it becomes necessary, subsequently, to substitute the other auditor from the list that received the greatest number of votes, the other auditor on the same list will be appointed. If both the standing auditor elected from the minority list and the alternate elected from that list cease to hold office, the auditor is replaced by the next-ranking candidate on that same list or, if that person is unavailable, by the first candidate on the minority list receiving the second highest number of votes.

If the chairman of the Board of Statutory Auditors needs to be replaced, the chairmanship is assumed by the other standing auditor from the list to which the outgoing chairman belonged.

26.8 If a replacement cannot be made in the manner described above, a shareholders' meeting shall be called to complete the Board of Statutory Auditors by relative majority vote. 26.9 I Candidates for statutory auditor must meet the requirements set by law. The appointment and substitution of standing and alternate statutory auditors pursuant to Articles 26.7 and 26.8 above will be done in such a way as to guarantee that the composition of the Board of Statutory Auditors complies with the laws governing gender equality. The following will be considered when assessing the qualifications of individuals with at least three years' experience relating to:

 a) professional activities or as confirmed university professors in law, economics, finance or technical-scientific subjects closely related to the Company's business;

b) management roles at public bodies or public administrations in sectors closely related to the Company's business, subject to the following rules:

- all subjects per letter a) above that are associated with the real estate business or other sectors pertaining to real estate are considered to be closely related to the Company's business;

- sectors pertaining to real estate are those in which the parent companies operate, or those that may be controlled by or associated with companies operating in the real estate business.

26.10 The statutory auditors serve for three years and may be re-elected. Those whose situations are incompatible with the title and/or who do not satisfy the requirements of integrity and qualification, as established by law, may not be elected as statutory auditors and, if elected, lose office.

26.11 The shareholders determine the statutory auditors' annual compensation at the time they are elected. The statutory auditors are entitled to reimbursement for expenses incurred in office.

Article 27

27.1 Financial auditing is performed by an external auditing firm with the qualifications required by law.

27.2 The ordinary shareholders' meeting grants the auditing assignment, at the recommendation of the statutory auditors, and approves the auditing fees for the full duration of the assignment.

SECTION VII - FINANCIAL STATEMENTS AND PROFITS Article 28

28.1 The fiscal year ends on December 31 of each year. 28.2 During the course of the year and within the confines of the law, the Board of Directors may make advance dividend payments to the shareholders.

28.3 The shareholders' meeting votes on the distribution of profits as provided for by law. Profits may be assigned as specified in Article 2349 of the Italian Civil Code.

28.4 Dividends not collected within five years of the date they become payable shall revert to the Company and be placed directly in the reserves.

SECTION VIII - DISSOLUTION AND WINDING UP Article 29

29.1 If the Company is dissolved, the shareholders' meeting shall determine the liquidation procedure and appoint one or more liquidators, setting their powers and compensation.

SECTION IX - GENERAL PROVISIONS

Article 30

30.1 For all matters not addressed in these bylaws, the provisions of the Italian Civil Code and of any special laws on the subject shall apply.

Article 31

31.1 Articles 16.2, 16.3, 16.7-*bis*, 16.8, 26.1, 26.2, 26.3, 26.5, 26.6, 26.7, 26.9, the purpose of which is to guarantee compliance with the law relative to gender equality, will be applied to the first three renewals of the Board of Directors and the Board of Statutory Auditors subsequent to when the provisions of Art. 1 of Law n. 120 of 12 July 2011, published in *Gazetta Ufficiale* or *G.U.* n. 174 of 28 July 2011 take effect.

31.2 Pursuant to Art. 26.1 three alternate statutory auditors are to be appointed to the Board of Statutory Auditors for the first three renewals of the assignment granted to the Board of Statutory Auditors subsequent to effective date of Art. 1 of Law n. 120 dated 12 July 2011. When the first Board of Statutory Auditors is to be appointed after the third renewal subsequent to said effective date, two alternate statutory auditors are to be appointed.

EXPLANATORY NOTES ON THE ITEMS OF THE AGENDA PREPARED BY THE BOARD OF DIRECTORS IN ACCORDANCE WITH ARTICLES 125-*TER* OF LEGISLATIVE DECREE N. 58/1998 AS WELL AS ART. 73 OF THE CONSOB REGULATION ADOPTED BY RESOLUTION N. 11971/1999

* * *

1. Proposals to amend articles 4 and 6 of the Corporate By-laws; related and consequent resolutions;

Dear Shareholders,

you were called to an extraordinary general meeting to resolve on the proposed amendments to the corporate by-laws in order to: (i) clarify the corporate purpose defined in article 4 by including express reference to retail activities; and (ii) renew, after revoking the prior authorization granted during the extraordinary Annual General Meeting held on 19 April 2012, the power granted to the Board of Directors, pursuant to art. 2443 of the Italian Civil Code, to increase share capital, on one or more occasions, against payment and in divisible form, by up to a maximum of 10% of the company's pre-existing share capital, excluding pre-emption rights pursuant to art. 2441, paragraph 4.2 of the Italian Civil Code, and, subsequently, amend art. 6 of the corporate by-laws.

The proposed amendments to the corporate by-laws submitted to the shareholders for approval are described below.

SECTION II – COMPANY PURPOSE

Art. 4

When applying for the authorization to carry out retail activities in the Company's freehold centers one municipal administration gave instructions that a clarification should be included in the company purpose, as defined in art. 4.1 of IGD's by-laws, specifying that the "management of companies and public concerns " also includes "retail activities".

While we retain that this business already falls within the scope of the current definition of the company purpose, in order to fully cooperate with the public administration, we propose to include the above mentioned change in art. 4.1 of the corporate by-laws as follows:

CURRENT TEXT	PROPOSED TEXT
Article 4	Article 4
4.1 The Company's sole purpose is any activity or operation in the real estate sector, on its own or third parties' behalf, including but not limited to the purchase, sale, swap, construction, renovation and restoration, management and administration of properties for any use or purpose including through the assumption and/or assignment of contracts or concessions; the development of initiatives in the real estate sector; the submission of bids in national or international calls for tenders; and the establishment, purchase, sale, swap, and cancellation of real estate rights; this excludes real estate agency and brokerage activities and the trading or operation of businesses or commercial concerns. (<i>Omissis</i>)	4.1 The Company's sole purpose is any activity or operation in the real estate sector, on its own or third parties' behalf, including but not limited to the purchase, sale, swap, construction, renovation and restoration, management and administration of properties for any use or purpose including through the assumption and/or assignment of contracts or concessions; the development of initiatives in the real estate sector; the submission of bids in national or international calls for tenders; and the establishment, purchase, sale, swap, and cancellation of real estate rights; this excludes real estate agency and brokerage activities and the trading or operation of businesses or commercial, including retail activities. (<i>Omissis</i>)

Please note that the above amendment to the by-laws does not constitute a significant change to the

Company's activities and, therefore, no withdrawal rights will be granted to shareholders who do not vote in favour of the above amendment as described in this report.

SECTION III - SHARE CAPITAL, SHARES, BONDS

Art. 6

We propose an amendment to art. 6 of the corporate by-laws in order to renew, pursuant to art. 2443 of the Italian Civil Code and after revoking the authorization granted to the Board of Directors on 19 April 2012 which will expire on 19 April 2017, the power to increase share capital, on one or more occasions, against payment and in divisible form, by up to a maximum of 10% of the company's pre-existing share capital, for a period of up to five years as from the date of the shareholders' resolution and, at any rate, by 12 April 2022, reserved for parties to be identified by the Board of Directors (including Italian or foreign qualified and/or industrial and/or financial investors or shareholders of the Company), excluding pre-emption rights pursuant to Art. 2441, fourth paragraph, second sentence, of the Italian Civil Code, provided that the issue

price corresponds to the shares' market value and this is confirmed in a report prepared specifically by the external auditors.

The power so granted will allow for greater flexibility in the Company's capital market transactions, with advantages in terms of speed and efficiency as it will no longer be necessary to convene a Shareholders' Meeting each time a transaction takes place.

In light of the above we propose, therefore, to amend art. 6 of the corporate by-laws as follows:
