Retail: a continuously evolving world

IGD's current positioning and long-term commitment

IGD Mission Statement

After a decade of growth... A plan focused on strengthening the solid and sustainable leadership of our shopping centers in their respective catchment area and to be prepared for future challenges

2019-2021 Strategic Plan

A consolidation and enhancement plan based on 3 pillars

Innovation and operational excellence

Great focus on innovation and operational excellence mainly in relation to commercial, marketing and sustainability areas

Asset management

Investments aimed at maintaining and increasing the quality of our portfolio favouring innovation, merchandising mix, attractiveness, the quality of materials, as well as sustainability €€€€

Financial strategy

Maintaining a solid financial structure in line with the investment grade profile

Our idea of shopping centers in 6 key words 1/2

Identify solutions that make shopping more engaging and experiential in order to impress visitors: experience oriented shopping center

What we doing

«Experience to be lived» project has already been introduced in 2 Shopping Centers (Puntadiferro and Città delle Stelle) in 2018. 3 other Shopping Centers will be involved from 2019

Entrench the Shopping Center in its local area promoting good relations and social behaviour in order to establish ties, exchange knowledge and carry out projects of common interest.

Transfer within the shopping center of the rationale and dynamics of a social street, phenomenon first created in Bologna in via Fondazza in 2013, now involving over 100 thousand people, not only in Italy

Personalisation of Shopping **Center / Visitor** relation

Focus on visitors, establishing unique and special relations

+ attractiveness + brand awareness

- **Chat bot** technology: customer service by means of 24/7 real time chat
- **CRM** (Customer Relationship Management) Strategy
- Instagram: integrated management of the Instagram channel in 16 Shopping Centers.

1 Restyling/refurbishment projects: other on going projects

Hypermarkets remodeling works have started in line with 2019-2021 Strategic Agreement with Coop (see following slides)

Goal: reduction of the hypermarket area and creation of new retail units in the mall

- Hypermarket: work in progress end of work Sept 2019
- *Mall:* start of work Sept 2019 end of work Feb 2020

Goal: reduction of the hypermarket area and creation of new retail units in the mall + **center restyling** (project by Lombardini 22) and **seismic improvement measures**

- Hypermarket: work in progress end of work Nov 2019
- Mall: start of work Sept 2019 end of work Set 2020

2 Strategic Agreement with Coop Alleanza 3.0, partner / food anchor The role of the mall and the hypermarket

The role of the food anchor (hypermarket) remains fundamental with the ability to attract visitors. Strong synergy between IGD and Coop that generates excellent operating / financial performances

For 7 out of 10 visitors ⁽¹⁾ the hypermarket is the reason they visit our Shopping Centers

- Continuos and effective Cooperation between the Shopping Malls and Coop in the ordinary and extraordinary management of the centers
- Cooperation with Coop for common marketing analysis
- GLA surplus in some hypermarkets

FUTURE SITUATION

- Establish relations which are increasingly structured and integrated with regard to common marketing projects
- More in-depth analysis on **behaviour** of consumers/visitors
- Customer relationship management (CRM)
- Organisation of contests and events
- Take advantage of the unitary ownership to make a better use of the GLA

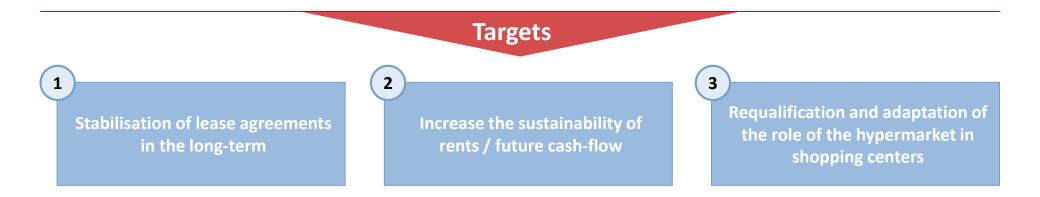

Strategic Agreement with Coop Alleanza 3.0, partner / food anchor

Agreement regarding approx. €520 mn of the market value (approx. 21% of IGD total market value)

A framework agreement regarding the complete review of 18 contracts (out of a total of 20) of the hypermarket portfolio rented to Coop Alleanza 3.0, has been signed:

- 1. Review of contractual terms and conditions: the expiry dates of all the contracts affected by the agreement will be extended and some of the rents will be revised to make them more <u>stable and sustainable</u>
- 2. Qualitative review of assets: following the successful remodeling of the hypermarkets and malls in Le Porte di Napoli and Città delle Stelle, 5 assets have been identified, where the number of stores/services in the mall needs to be increased, by means of reducing the hypermarket, in order to enhance the attractiveness of the centers.

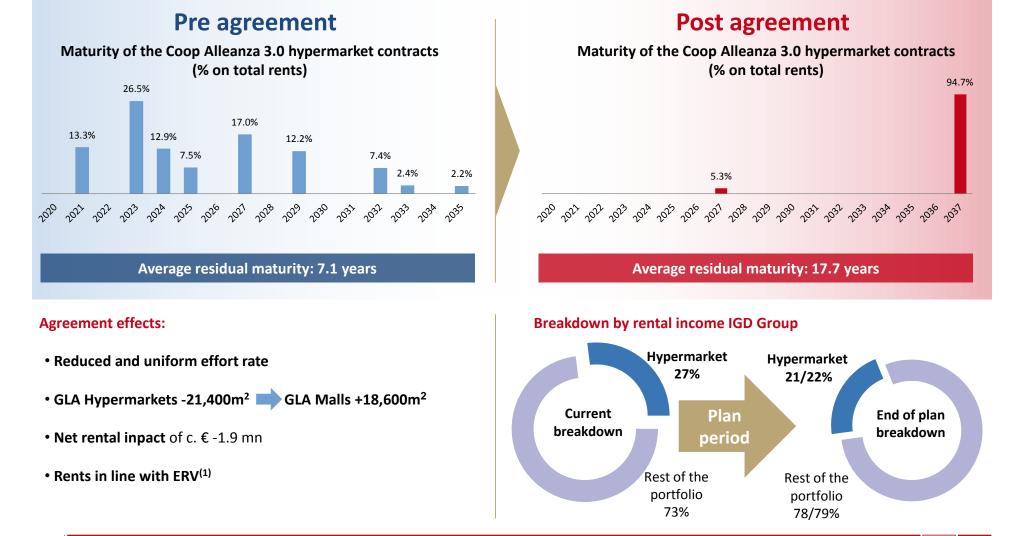

Strategic Agreement with Coop Alleanza 3.0, partner / food anchor

The main effects expected from the agreement, together with a higher rent sustainability, will be:

LIPS: hyphotesis of a 4-star business hotel and residence with apartments designed for ship crews or student housing

ARSENALE: possibility of one or more residences **MOLO MEDICEO**: services for the touristic port

The enhancement and pre-marketing of the 3 areas are being studied for future disposals

Rationalisation of the **portfolio** through the **disposal of some non-strategic assets** for €150-200mn is under evalutation

Income from disposals will be primarily allocated to reduce debt and leverage and partly re-invested

Asset rotation: what we did

28 June 2019: sale and purchase agreements*

Sale of Palazzo Orlando (office building) part of
the Porta a Mare development project in Livorno
Total GLA: 5,270 sqm
Sale price: € 12.8 mn (in addition to taxes)

Purchase of the 50% interest in the Darsena City Shopping Mall in Ferrara (of which IGD is currently joint-owner) Total GLA: 16,250 sqm N. of shops: 19 Sale price: € 13.9 mn (in addition to taxes)

THESE AGREEMENTS WILL ALLOW IGD TO FOCUS ON ITS CORE BUSINESS (REAL ESTATE RETAIL)

* Binding Agreements with a premiere international real estate player, definitive agreements will be executed by 30 September 2019

Financial strategy

Maintain a rigourous financial discipline in line with the Investment Grade profile

Improve and further reduce the LTV

Improve the liquidity profile while maintaining a significant share of medium long-term debt (currently equal to approx. $80\%^{(1)}$)

Maintain a balanced debt structure between bank debt and bond debt (maximum flexibility in the sources of financing)

Lower the exposure to financial risks (interest rate and credit) and obtain the best available capital market conditions

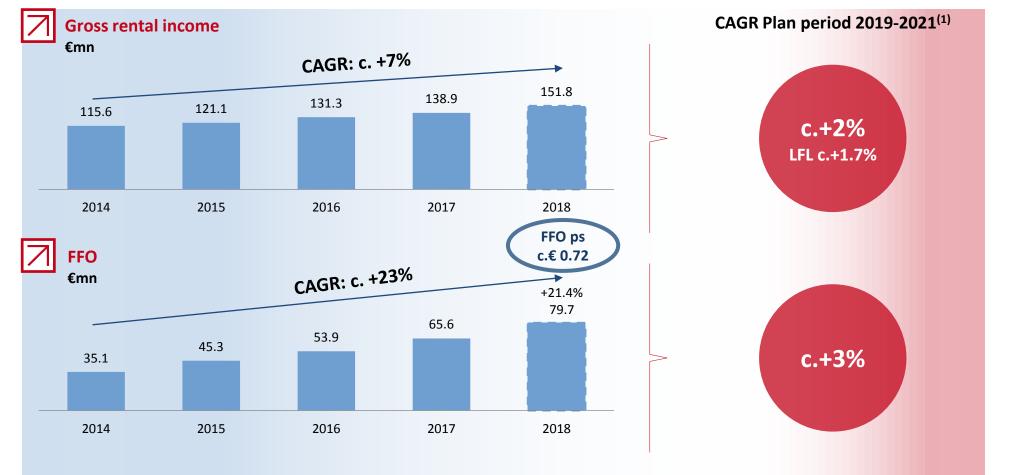

Broaden the investor base

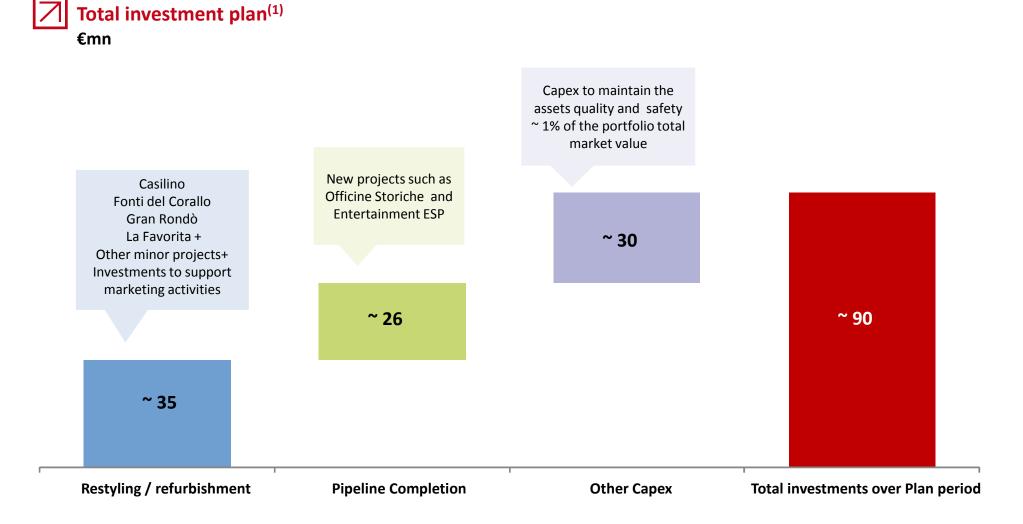

Revenues and FFO

4 years of considerable growth... Driven by new openings and acquisitions

Consolidation plan with a sustainable growth

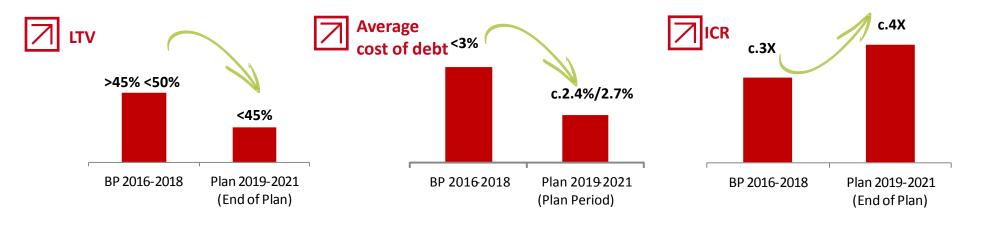

Investments

61

Financial targets: a clear and defined path

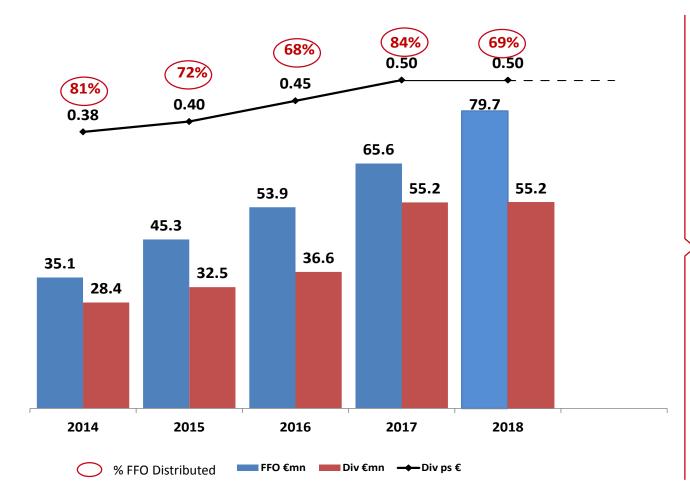

Dividend Policy...bringing to growing FFO and dividends

€mn

Further option of growth

- A Strategic Plan aimed at strenghtening the leadership of our shopping centers, without further acquisitions
- IGD's idea, to act as a **platform able to aggregate new assets** in order to further increase its market share and pursue greater economies of scale, remains valid
- Always subject to adequate market conditions

Focus on E-Commerce in Italy

٠

E-commerce in Italy: 6.5% of total retail sales

Low E-Commerce penetration

Impact of

Online

purchases on shopping

centre

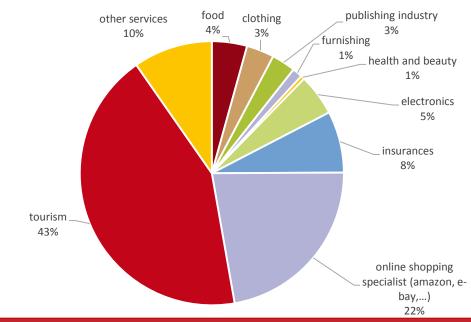

purchases: ca. 38%

E-commerce penetration in Italy is lower when compared to other industrialised countries, this is not only a delay in its infiltration but it is due to cultural and structural factors

• Total online sales in Italy in 2018: €27.5 bn of which 45% services (penetration 10%) and 55% products (penetration 5%)

Impact of E-commerce on the various merchandising categories ⁽²⁾
