An architectural rendering of a waterfront development. The scene shows a row of modern, multi-story buildings with large windows and balconies, situated along a canal or harbor. In the foreground, there are several small boats and a dock. A prominent red horizontal band is overlaid across the middle of the image, containing a large white number '3' and text. The background shows more buildings and a cloudy sky.

3 Recent events and impact of Covid-19 on Group's activities

Business strongly affected, but also strongly resilient

COVID-19: main events in Italy

Priority given to health and safety

Sanitation

Increase in cleaning of the SC common areas

Sanitizing gel dispensers inside the malls

Sanitize SC system filters

Informative panels

Informative panels to provide visitors with the rules of conduct to be adopted in the shopping centers

Access and routes regulation

Rules to enter in the SC:

Access forbidden with high temperature

Mask required

Number of accesses controlled

Thermal camera and temperature control

80 THERMAL CAMERAS* installed at the entries of IGD's SC for non-invasive temperature monitoring compliant to privacy regulation

Strengthened surveillance

In order to monitor compliance with the measures adopted to limit the spread of Covid-19

No gatherings

Wear a mask

Staggered entries

Social distancing

Turning a need into a future opportunity

Thermal cameras high technology could be used in the future for:

1. Flow analysis to check the «hot/cold» areas of the shopping centers – pilot project at ESP Shopping Center (Ravenna)
2. Shopping center customers clusterization
3. Footfalls counting; monitoring and control of gatherings
4. Detection of faults in pipes, monitoring the efficiency of solar panels, other thermometric purposes, etc...

Enhancement of the communication to visitors

1. Reconnecting and informing

Communication campaign on local press and social network (from 28/5 to 16/6)

2. New sales promotions

Initiatives in all our shopping centers starting from the end of June and still ongoing

3. Tenants new initiatives

Tenants' specific initiatives (e.g. outdoors dehors for restaurants)
New openings of engaging brands (e.g. FRWRD Clothing at Le Porte di Napoli)

Government measures to support tenant in Italy

Footfalls in Italy (1/2)

Weekly footfalls 2020/2019

Footfalls per time-slot 2020/2019

Recovered approx. 87% of the pre-lockdown footfalls

Penalized time slot: lunch and post work

Contingent factors that are affecting trends:

Temporary impossibility to organize **gatherings events**

Cinemas (4) still closed, also due to the lack of upcoming films

Widespread smart working with a decrease in shopping centers attendance, especially during lunch break and after work (with impacts on the food court)

Some **restrictions and control measures** still in place

Return to physical shopping after the lockdown

Obvious increase in online shopping during the lockdown, followed by **return to physical shopping** after the end of restrictions; **also testified by specialized third-party observers:**

*«If during the lockdown 51% of respondents did more online shopping, only 18% of them said that will keep doing it following the lockdown. **People want to do physical shopping.** Shopping centers management future challenges will be to catch new consumer needs and to work synergically on: innovation, services, communication and and marketing, training and relationship with tenants.»**

Safety in our shopping centers

Over **80%** of respondents said they felt safe and protected by the actions carried out by IGD in the shopping centers.**

News

**The Government is
studying measures to
boost consumption**

Some product categories performed better compared to 2019 (June and July tenant sales)

- **Service:** dental clinics are recovering
- **Restaurants:** general decline in all sectors
- **Electronics:** most of the brands are performing well, increase in the average ticket
- **Household goods:** strong growth of medium surfaces (especially DIY), decrease in small items
- **Clothing:** general decline

FOOTFALLS: -25%**
(July 2020 VS July 2019)

Capex and on-going projects as at 30/06/2020

In order to strengthen the Group's financial solidity, several capex and projects have been suspended for a total savings of around **€40mn** vs forecasts.

Resumption of work is currently being evaluated

Porta a Mare: work is underway to protect the construction work done, along with a revision of the project which takes into account the post-Covid implications. Work is expected to resume as of October 2020 and should be completed by October 2021.

La Favorita (Mantova) and Porto Grande (San Benedetto del Tronto) restyling: the executive design will be completed in 2H2020 in order to have a clear view of the costs. If it is decided to continue with the projects, works may be starting in the first months of 2021.

Update on financial activities as at 30/06/2020

Committed credit lines renewed by 2 leading credit institutions (40 mn€ +20 mn€) and **maturity extended to 2023**

A government guaranteed loan of roughly €37 million (6-years at a rate, including the cost of the government guarantee, in line with the Group's average cost of debt), provided by Sace Spa, **is in the process of being finalized.**
