IGD's shopping centers adapting to this context (1/2)

1

Ready to introduce new players and satisfy new trends

Introduction of new brands, which despite the restrictions, recorded good results:

Furniture solutions, opened at Centro ESP: it became a true attractive anchor of the center

International brand, 4 stores opened* with excellent results; new openings in IGD portfolio are expected

2

Partial recovery of lost tenants' sales

Footfalls and sales, which were lost due to weekend closures, were in part transferred and recovered during the week

>48% days of closure of non-essential activities vs
- 38% of overall revenues excluding food anchors

Food and
beverage
services
did not halt

Openings of new brands and formats continued,
despite being one of the sectors hit hardest by the restrictions

La Piadineria – Centro Lame (BO)

Poke Kal - Centrosarca (MI)

Open air food and beverage services allowed from 26th April

Immediate response with specific areas and structures
organized outside with excellent results

Le Porte di Napoli (NA)

Centro ESP (RA)

Le Maioliche (RA)

Effective leasing activities to combat the negative impacts of Covid

24* among new openings and fully restyled shops

Continuous intense leasing activities to re-let the higher number of vacant spaces caused by the impacts of Covid

Encouraging and positive signals from the market:

- Romania: occupancy is increasing
- Italy: expected recovery in the 2Q/2H

IGD assets to serve the community

The **shopping center**, which offers large, organized, supervised, regularly sanitized and easy to reach spaces, **is the ideal location to quickly and safely create areas to endure proximity healthcare**

in Palermo is the first IGD shopping center to host a **vaccination center** (inaugured on **26th of May**) a strong **signal of IGD proximity to the territory.**

1,800 m2 of surface, operational from mid May, it will be able to guarantee approx. 900 vaccinations per day

Our idea of shopping center in the coming years

«Next Steps» projects: ideas for innovation

- The pandemic favored the **acceleration** of some transformations on-going in the retail world and, therefore, in the Shopping Centers sector
- Two surveys* to better understand new visitors needs

#1 Finding solutions to answer to new needs

#2 Integration of CRM and digital plan

#3 Personalization/ specificity of the actions and offering

First initiatives that are already being implemented

LAYOUT

- External areas intended for restaurants and leisure
- Areas intended for pick-up and delivery
- Click and collect

SERVICES

- Apps to book/order at the restaurants

MERCHANDISING AND TENANT MIX

- Clinics in line with the plan to endure proximity healthcare
- pet store and vet clinics

IGD aims at strengthening attractiveness and the urban and service character of its shopping centers

Strong repositioning of the Romanian Portfolio

Key Strategic points

- Further capex for safety, maintenance and commercial improvements
- Growth trend of rents
- Attention on operational costs
- Focus on sustainability

	2008	2009	2010	2011	2012	2013	2014	2015	2016	2017	2018	2019-2021

	c.€70.+5mn of dividends generated since the acquisition ⁽¹⁾											
Romanian portfolio considerably repositioned, currently generating important free-cash flow												

Flexible and sustainable asset management

2020

- ✓ In order to strengthen the Group's financial solidity **some projects and capex were postponed as early March 2020.**
- ✓ **Lower cash-out** for approx. **€40mn** compared to what expected for the year

2020 Total Investments	€18.3mn
-------------------------------	----------------

2021/2022

- ✓ **Priorities: non deferrable activities, extraordinary maintenance, update of systems** as well as **fit out adaptations** in order to continuously attract tenants and visitors.
- ✓ Our asset type enables us to be **flexible in offering spaces for different uses** like **flagships for physical and/or online sales, logistics hubs...**

No major transformations/reconversions are necessary, just few adjustments in the merchandising mix

4 Sustainability

Sustainability: commitment continues despite the pandemic

Most short-term goals achieved, work in progress on the medium/long-term targets.

GREEN

- €1.2mn invested in energy efficiency measures
- 19 EV charging stations installed
- ISO14001 certification for 4 more shopping centers and Breeam in Use certification for 3 more shopping centers

RESPONSIBLE

- Stable level of employment and Corporate Welfare Plan confirmed
- Training activity for all the employees and a new activity of «Virtual Team» tested
- Implemented measures for the safety of employees and visitors both in the headquarters and in the shopping centers

ETHICAL

- UNIISO37001 «Anti bribery management system» certification obtained in Italy
- Second renewal of three stars Legality Rating obtained (maximum score awarded)
- Code of Conduct and Organizational Management and Control Model updated
- Adhesion to United Nations Global Compact

ATTRACTIVE

- Digital Plan defined and existing shopping centers web instruments (websites and social networks) updated to increase contacts with visitors
- Communication Campaign realized to reassure visitors about the safety and the offering of the shopping centers post lockdown

TOGETHER

- Dialogue with the stakeholders strengthened for a more unitary emergency management: for ex. Post lockdown surveys had been carried out to better understand the visitors' needs
